Elections Toolkit

This Elections Toolkit includes information that you can use to promote civic participation and literacy development in voting-age learners.

The Nunavut Literacy Council gratefully acknowledges the Movement for Canadian Literacy and the NWT Literacy Council for allowing us to build on the election resources that they have developed.

The development of this resource was made possible
through the generous support of:

The Office of Literacy & Essential Skills,
Human Resources and Social Development Canada

The Department of Education, Government of Nunavut

Nunavut Literacy Council
