

“Adult learning has given me the skills I need to continue my education and eventually find a job. I can now see the light shining on my future.”

- Madina Uwizeyimana

Madina Uwizeyimana has never doubted the importance of education for her future and that of her children. “When I left Africa to come to Nova Scotia, I knew I would have to improve my skills in order to transition to Canadian culture. Language skills and cultural learning are critical. The Adult Learning Program allowed me to improve my English and develop the skills I need to find employment.”

Madina’s plans include pursuing advanced education in the field of nursing and learning French. “Going back to school in Canada was right for me.”
