**My name is June Lo. I like to listen to the radio. I listen to K97 on my school bus. I ride the bus every day.**

**I went on a tour of K97 on Wednesday April 26, 1995. I met lots of people who work at K97 and saw how they do their jobs.**

**This is Diane. She took me on my tour. I liked her. I think she is pretty. Behind me is a picture of Tina Turner. I like her, too. She is a good singer.**

**These two people are Barb (in the white T-shirt) and Cheryl. They work at K97. I was happy to meet them. They were nice.**

**This is Tattoo Kelly. He is an assistant producer.**

**We watched him work. He has a good job. I would like to have his job.**

**This is Colleen Valentine. She is a disc jockey. She works a lot of weekend shifts.**

**We watched her work, too. She was reading for a radio commercial. I don't want her job. It looks hard.**

I met Barry Harrison. I liked him a lot. He was fun to talk to. He reads the news.

**I asked him to tell me why he got a job in radio. He said he has always liked watching and listening to the news.**

**I took a break in the coffee room. I liked the coffee room. It was nice and small.**

Then Diane introduced me to Sharkey. He is the producer of the morning show called *The Breakfast Club*.

We watched Sharkey go to work. I liked his shirt because it has *Star Trek* on it.

Diane showed me where all the music is. I bet there are more than 100 tapes there. I wish I had that many.

**This is Don Ritchie. He was on the air when we met him.**

He had to answer the telephone to take requests for the *All-Request Nooner*.

**He has a fun job. Sometimes I think I would like to be a radio D.J. Sometimes I don't.**

**These are all of the record albums they have. They have a lot of albums.**

We went outside and Diane helped me into the Boom Box. They play music on the Boom Box at picnics and parties.

**I had fun at K97. I would like to thank Diane for taking me on the tour.**

### **About the Author**

**June Lo has been a student at Prospects for eight months. Among her favorite pastimes is listening to the radio.**
