ACKNOWLEDGEMENTS / REMERCIEMENTS

CLOW extends warm appreciation to the Canadian Women's Indexing Group (CWIG) for its cooperation and support in relation to this project, and for its generous donation of the indexing for the 1982-85 issues of *Women's Education des femmes* for inclusion in this publication. The Canadian Women's Indexing Group, a group of feminist librarians, bibliographers, and academics, has developed the first bilingual English/French retrospective index to Canadian feminist periodical literature published between 1972 and 1985. The Canadian Women's Indexing Group has also developed a unique bilingual thesaurus of terms specific to Canadian women's studies. CLOW looks forward to the publication of these bibliographic tools in late 1989. We anticipate that they will greatly facilitate access to feminist and women's studies literature in this country. For additional information about the Canadian Women's Indexing Group and details about how to order the Canadian Feminist Periodical Index and the Canadian Women's Thesaurus, contact:

Canadian Women's Indexing Group (CWIG)

Le CCPEF tient à remercier chaleureusement le Groupe d'analyse de documents féministes canadiens (GADFEC) de sa collaboration et de son soutien au cours de ce projet et de la générosité avec laquelle il a fait don à l'organisme de l'index des numéros de *Women's Education des femmes* de 1982 à 1985. Le Groupe d'analyse de documents féministes canadiens regroupe des bibliothécaires, des bibliographes et des universitaires féministes qui ont élaboré un index bilingue anglais/français des périodiques féministes canadiens publiés entre 1972 et 1985. Le Groupe d'analyse de documents féministes canadiens a aussi mis sur pied un thésaurus des termes particuliers aux études canadiennes sur les femmes. Le CCPEF attend avec impatience la publication à la fin de l'année 1989 de ces outils bibliographiques. Nous nous attendons à ce que ces ouvrages rendent l'accès à la littérature féministe et aux études portant sur les femmes beaucoup plus facile au Canada. Pour de plus amples renseignements sur le Groupe d'analyse de documents féministes canadiens et pour savoir comment commander l'Index des périodiques féministes canadiens 1972- 1985 et le Thésaurus des femmes

The Canadian Congress for Learning
Opportunities for Women (CCLOW)

Le Congrès canadien pour la
promotion des études chez la femme

was founded in 1979 and is a national, voluntary, feminist organization with networks in every province and territory. CCLOW advocates equality between women and men by promoting equal participation in our educational, political, economic, legal, social and cultural systems. To overcome discrimination based on gender, age, race, class, ethnicity, and sexual orientation, CCLOW focuses on improving educational and learning systems. Our work and research includes maintaining a Women's Learning Resource Centre, publishing a quarterly magazine (Women's Education des femmes), advocacy, program development in local areas and involvement in educational - related activities and events.

(CCPEF) a été fondé en 1979. C'est un organisme national, bénévole et féministe qui a des réseaux dans chaque province et territoire. Le CCPEF prône l'égalité entre les femmes et les hommes en promouvant une participation égale de tous et de toutes à notre système éducatif, politique, économique, judiciaire, social et culturel. Pour surmonter la discrimination qui se fonde sur le sexe, l'âge, la race, la classe sociale, les caractères ethniques et l'orientation sexuelle, le CCPEF s'attache à perfectionner le système éducatif et celui de l'apprentissage des femmes, publie une revue trimestrielle Women 's Education des femmes, se fait le défenseur des femmes, s'occupe d'élaborer des programmes dans différentes régions du pays et participe à des activités et à des manifestations dans le domaine de l'éducation.
